Support, support, and more support! As everyone knows, BMH provides numerous services to survivors of human trafficking. Support includes safe and secure housing, financial assistance, daily case management, and much more. We would not be able to provide these crucial support services without a lot of help from community partners, grants, and donors.

BMH has truly been blessed to start the year with awarded grants from Common Spirit and the El Pomar Foundation. These critical funds will allow us to provide new services that include setting up a nutrition program, gardening program, and provide much needed funding to continue to support not only our residents, but other victims of human trafficking.

We're thrilled to share our 2025 Event Lineup! Mark your calendars and get ready to support Bakhita Mountain Home all year long with some unforgettable events!

[Board of Directors Day](#)

BMH Board of Directors met at the historic Penrose House on April 4, 2025, for a full day filled with discussions and planning for the continued success of BMH.

Exciting ideas and discussions revolved around how far BMH has come since opening our doors, future goals and plans to expand housing and services, 2025 planned events and future events, and the current growth of services for our residents. What a wonderful day to be part of Bakhita!

Meet BMH's New Unofficial Mascot Moose

BMH would like to give a huge shout out and thank you to Dr. Max Pohl and the staff at Balance Chiropractic. Dr. Pohl's team raised \$1200 for BMH during the Share the Love Charity Month.

Thank you, Balance Chiropractic, for being one of our biggest supporters!

A Little About Moose

Moose is a 6-month-old Golden Retriever who is the sweetest boy you will ever meet. His hobbies include eating sticks, eating grass, eating rocks, and eating just about anything he can get his paws on. Moose loves going for walks and meeting new people.

Moose has been going to the Bakhita Mountain Home house almost every week and all our residents have fallen in love with him. Keep an eye out at some of our events to meet Moose!
